PERMISSION & MEDIA USE

1. CLIENT CHOICE

Clients may choose whether to give DJ Zuse permission to capture and use media from their event.

The booking form will offer two choices: permission granted or permission declined. Giving permission is optional. Declining will not affect the client's ability to book DJ services.

2. TYPES OF MEDIA

When permission is granted, DJ Zuse or an authorized team member may capture:

- Photographs and short video clips
- DJ setup and equipment footage
- Dance-floor or celebration moments
- Audio or video testimonials
- Behind-the-scenes and general event-atmosphere content

Media collection should not interfere with DJ services or the event experience.

3. PERMITTED USE

Approved media may promote DJ Zuse through:

- The DJ Zuse website and social media
- Digital advertisements and promotional graphics
- Portfolios and service presentations
- Email or text-message marketing
- Other business-related promotional materials

Media will not be sold to an unrelated third party.

4. CLIENT AND GUEST PRIVACY

DJ Zuse will make reasonable efforts to avoid sharing content that is embarrassing, highly personal, inappropriate, or damaging.

Private conversations, personal documents, payment information, addresses, and other sensitive information will not be intentionally recorded or published. Clients should identify private moments, restricted areas, or people who should not be recorded.

PEOPLE & EVENT CONTENT

5. CHILDREN AND MINORS

DJ Zuse will not intentionally feature a child or minor as the primary subject of promotional content without permission from the child's parent or legal guardian.

General background footage may include guests of different ages. When a client declines permission, DJ Zuse will not intentionally capture event footage for promotion.

6. TESTIMONIALS

Client or guest testimonials will only be recorded when the person knowingly agrees. DJ Zuse may edit a testimonial for length or clarity but will not intentionally change its meaning.

7. GUEST NOTIFICATION

When permission is granted, the client should notify guests that photography or video may occur. Guests may ask not to be recorded, and DJ Zuse will make reasonable efforts to honor directly communicated requests.

8. THIRD-PARTY MEDIA

DJ Zuse is not responsible for media captured or published by event guests, the venue, the client, photographers, videographers, other vendors, or members of the public.

The client is responsible for communicating with those parties about their separate media practices.

9. MUSIC IN RECORDED CONTENT

Short event clips may contain background music. Social platforms may mute, limit, remove, or restrict content under their music and copyright rules. DJ Zuse does not guarantee that every music-containing video can be published or remain online.

EDITING, DECLINING & REQUESTS

10. EDITING AND BRAND PRESENTATION

Approved media may be cropped, resized, color-corrected, captioned, combined, or edited for DJ Zuse branding and promotional formats.

Media will not be intentionally edited in a false, misleading, defamatory, or disrespectful manner.

11. DECLINING MEDIA PERMISSION

If the client declines permission, DJ Zuse will not intentionally capture or use event images, videos, testimonials, or footage for business promotion.

This restriction applies to DJ Zuse and authorized team members. It does not control independent guests, venues, or other vendors.

12. WITHDRAWING PERMISSION

A client who previously granted permission may ask DJ Zuse to stop using specific media. DJ Zuse will make reasonable efforts to remove it from future promotion and platforms directly controlled by DJ Zuse.

Removal cannot be guaranteed for content already printed, reposted, downloaded, archived, shared by others, or distributed outside DJ Zuse-controlled platforms.

13. CLIENT-SUBMITTED MEDIA

A client who sends photographs, videos, testimonials, or event footage for promotional use confirms they have permission to share it. DJ Zuse may request additional confirmation before publishing.

14. QUESTIONS OR MEDIA REQUESTS

Questions, privacy concerns, or requests involving event media may be directed to DJ Zuse Booking Staff.
